For Cutting Butter

upon H. A platform holds the butter
cake, and at the end of the platform
is another frame, like the fuolboard
of a bed with two fine wires bisecting
it both ways. The putable frame has
a series of fine wires remains attended
it parallet to each other. The but
ter is placed on the platform and
this upper frame is pressed down
through it the wires espirating it into
so many square slabs, about as inch
thick. The cake is thes forced out
through the other frame and divided
into four times as many smaller
quares.

EXPERIMENT IN COW FEEDING

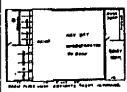

Result of Number of Tests Made by the North Carolina Station on

Retions for Milk

The North Carolina signicultural exostimized station retently concluded
i number of appellments to determine
be relative efficiency of narrow and
osedium wide rations for milk production a report of which has reached
be department of agricultural.
Fight cova from three to six weeks
in factation were fed three pariols of
wenty clight days evid in the first
and third pariods the feed consisted
the parts of cottonseed meal four
most subset from three parts of cornment and fifty younds of corn silage.
The nutrities ratio of this ration was
then same as the above except
hat 25 poinds of cottonseed meal
and replaced by 25 poinds of corn
ment giving this ration a mixilized
attention of about 55 The result of this
ext indicates that the narrow intim
produced 75 per cont. more milli fat
and increased the fat test 0.45 per
ent and the live wight 40 poinds
atme.

Piano We Give Away

What Seemed To Us To Be A Question, Is Now A Gratifying Success. It pays To Be Liberal With Our Trade.

Since we first amounce I that we should give away this Beautiful Upton Parlor Grand Piano to some one of our customers on Sept. 3rd our business has shown a big increase in every department. Of course the unusual values which we are offering have helped to make this incress and we shall continue along these lines. We are daily receiving new and attractive offerings from the Fashion Centers and you will find our stocks complete in all lines regardless of the heavy daily demand.

Be sure and ask for your Piano Votes with every purchase.

As with an expensive, high-power-cacing automobile, so with groceries. The human machine needs the best fuel to get the greatest efficiency from it—just like the motor car.

GIVE the finest auto bad pasoline and you get poor speed-feed il e best man alive on improper feed and you see a human wreck. You owe it to yourself-for your health's sake for your pocket a sake to feed your stomach with the figure groceries with good whole That is YOUR fuel

Buy groceries for their "fuel" values. get ours.
